

PFT Bawal commissioned

The greenfield private freight terminal (PFT) at Bawal has been commissioned with the issuance of commercial notification by North Western Railway regarding the opening of Sanjvik Terminals Pvt. Ltd, which will be served by Bawal station of Jaipur Division. Sanjvik Terminals is a joint venture of Sanjvik Cargo and Trading Pvt. Ltd and World Window Infrastructure and Logistics Pvt. Ltd.

PFT/ICD Bawal is spread over 20 acres of land and is strategically located at the junction of NH-8, which connects Delhi and Jaipur. The terminal was constructed in record time. Its catchment area is not limited to Bawal but also covers Manesar, Gurgaon, Rewari, Khuskhera, Neemrana, Bhiwadi and others.

The facility has been developed to cater to industrial sectors like automobile, steel and cement, and will be providing tailor-made logistics solutions.

ICD Bawal has already been notified under Section 8 and 45 of the Customs Act, 1962 and the location code issued. Customs staff has also been sanctioned by DG-HRD.
